The bounciest school holiday experience around!

What times do the clubs run?

Standard drop off is between 8.30am-9.00am, with pickup between 3.30pm-4.00pm.

An earlier 8.00am drop off and later pickup between 4.00pm-5.30pm can be purchased separately.

What activities are available?

Children will get to experience all the activities in the park*.

Check out the list of activities on our website to find out what we have to offer. **height permitting*

What are your food options?

Children can bring their own packed lunch. We also offer optional hot food options if required.

We ask that lunchboxes contain product without nuts.

Trampolining is a physical activity! Please ensure your child has a water bottle and enough snacks for the day.

What is the cancellation policy?

Day camps can be cancelled up to 48 hours beforehand.

Week camps can be cancelled with five day's notice.

When do bookings close for holiday camp?

Bookings need to be made 48 hours in advance.

Do you accept childcare vouchers?

We don't currently accept vouchers, but plan to do so in the future.

Can I book single/multiple days?

Yes, we offer single day camps or full weeks.

What happens if I need to collect my child early?

Children can be picked up early by an authorised person.

AirHop will not release any child without the confirmation of the authorised adult via telephone call. Photo ID and a password will be asked for.

Can multiple people drop off and collect children?

Yes, however this needs to be nominated on the authorised person form.

Can parents stay to watch?

Due to child protection regulations, parents are unable to stay.

Our cafés are open and you are more than welcome to use these.

Can you accept children that require 1-1 or SEN?

Regrettably, given the breadth of activities we provide, we are unable to accommodate one-to-one support. For children with additional needs that do not necessitate individual attention, we ask parent to reach out to us directly. This allows us to better understand your child's requirements for holiday club care and ensure their experience is as inclusive and enjoyable as possible.

What are the ratios?

We operate on a ratio of 1:15. There will always be a minimum of two team members running our camps.

Do you offer siblings a discount?

Unfortunately, not at this time.
